

Drivol Nulife

Diesel Engine oil

SAE 20W-50 API CH-4

Product Description:

Drivol Nulife SAE 20W-50 API CH-4 stands out as a versatile multigrade engine oil formulated with mineral base oil and selective blend of additives. Engineered to adapt to the dynamic demands of driving conditions, it serves as a shield for your engine, ensuring optimal performance and longevity.

Key Attributes:

- Exceptional thermal stability and robust protection against piston deposits.
- Precise management of sludge and deposits within the engine.
- Promotes engine cleanliness while exhibiting anti-wear and anti-corrosion properties.
- Extended oil change intervals, even when subjected to harsh operational environments.

Applications:

- Ideal for usage in both turbo-charged and naturally aspirated diesel engines commonly found in various vehicles such as trucks, tractors, buses and goods carriers.
- Suited for on-highway light and heavy-duty trucking as well as off-highway industries including construction, mining, quarrying, agriculture and mixed fleet applications.
