

# Drivol Nulife

## Diesel/Petrol Engine oil

### SAE 30 API CD/SF

#### Product Description:

**Drivol Nulife SAE 30 API CD/SF** is a monograde engine oil suitable for both diesel and petrol engines. Crafted with a special blend of mineral base oils and a precisely balanced additive composition, caters to the specific requirements of engines, ensuring enhanced protection and cleanliness of critical components. This oil offers adequate engine life by safeguarding against wear and promotes optimal engine performance by preventing the buildup of deposits.

#### Key Features:

- Exceptional thermal and oxidation stability.
- Maintains a durable lubricating film even under high temperatures.
- Superior detergency and dispersancy properties.
- Provides reliable protection against corrosion and wear.

#### Applications:

- Ideal for mixed fleets of diesel engines, including high-speed, four-stroke naturally aspirated engines.
- Suitable for use in mobile hydraulic systems where specific oil type and viscosity are recommended.
- Recommended for high-speed diesel engines used in marine applications such as fishing boats and river transport vessels.

#### Specification / Recommendations:

International Standards & Meet the Requirements	
API CD/SF	

#### Technical Data:

S.NO.	Characteristics	Test Method	Test Results
1	Appearance	Visual	Bright & Clear
2	Density @ 15°C (g/ml)	ASTM D1298	0.890
3	Kinematic Viscosity @ 40°C (cSt)	ASTM D445	95
4	Kinematic Viscosity @ 100°C (cSt)	ASTM D445	11.2
5	Viscosity Index	ASTM D2270	103
6	Flash Point COC (°C)	ASTM D92	242
7	Pour Point (°C)	ASTM D97	-15

#### Manufacturing:

Manufactured in ISO 9001: 2015 and ISO 14001:2015 certified plant.

#### Disposal:

Environment protection to be ascertained by proper disposal of Used oil and empty container as per local country guidelines.
