

Drivol Nulife Diesel Engine oil SAE 40 API CF-4

Product Description:

Drivol Nulife SAE 40 API CF-4 stands as a monograde diesel engine oil formulated with an optimized blend of mineral base oils and a balanced additive composition. This engine oil ensures prolonged wear protection and guards against deposits, facilitating efficient engine operation.

Key Attributes:

- Exceptional thermal and oxidation stability.
- Enhanced engine cleanliness.
- Prolonged component lifespan.
- Exceptional thermal and oxidation stability.
- Reduced wear, prolonged component lifespan and consistent power output.

Applications:

- Engineered to deliver robust performance across a spectrum of off-highway applications and older on-highway diesel engines.
- Suitable for specific stationary equipment, such as continuously running pumps operating under steady-state conditions.

Specification / Recommendations:

International Standards & Meet the Requirements	
API CF-4
