

Drivol Nulife Diesel Engine oil SAE 40 API CF

Product Features:

Drivol Nulife SAE 40 API CF is a mono-grade diesel engine oil engineered with a precisely balanced blend of mineral base oils and additives to ensure optimal performance. This oil offers wear protection for prolonged engine life and safeguards against deposits to maintain efficient engine operation.

Key Attributes:

- Exceptional Thermal Stability and Oxidation Resistance: Ensures superior piston cleanliness, maintaining high standards of engine cleanliness.
- Comprehensive Engine Protection: Minimizes engine wear, prolonging component lifespan and reducing maintenance requirements for sustained power output and operational stability.

Applications:

- Engineered to deliver robust performance in a variety of off-highway applications and older on-highway diesel engines.
- Suitable for stationary equipment, including continuous-running pumps operating under steady-state conditions.
- Ideal for use in truck diesel engines requiring oils meeting API CF specifications.

Specification / Recommendations:

International Standards & Meet the Requirements	
API CF	

Technical Data:

S.NO.	Characteristics	Test Method	Test Results
1	Appearance	Visual	Bright & Clear
2	Density @ 15°C (g/ml)	ASTM D1298	0.895
3	Kinematic Viscosity @ 40°C (cSt)	ASTM D445	126
4	Kinematic Viscosity @ 100°C (cSt)	ASTM D445	13.5
5	Viscosity Index	ASTM D2270	102
6	Flash Point COC (°C)	ASTM D92	250
7	Pour Point (°C)	ASTM D97	-12

Manufacturing:

Manufactured in ISO 9001: 2015 and ISO 14001:2015 certified plant.

Disposal:

Environment protection to be ascertained by proper disposal of Used oil and empty container as per local country guidelines.
