

Drivol Nulife Diesel Engine oil SAE 50 API CF

Product Description:

Drivol Nulife SAE 50 API CF is premium mono grade engine oil formulated with mineral base oils and a balanced additive system. This formulation incorporates dispersants, detergents, rust inhibitors, anti-oxidants, and anti-wear agents, ensuring comprehensive protection for engine longevity and optimized performance.

Key Features:

- Guards against both mechanical and corrosive wear.
- Exhibits high thermal and oxidation stability.
- Enables extended oil drain intervals and extends engine lifespan.
- Enhances operational stability, reducing service costs over time.

Applications:

- Ideal for ensuring robust engine performance across a range of off-highway applications and older on-highway diesel engines.
- Well-suited for stationary equipment, such as pumps, operating continuously under steady-state conditions.
- Recommended for use in older automotive diesel engines found in light trucks, vans, pickups and buses.

Specification / Recommendations:

International Standards & Meet the Requirements	
API CF	

Technical Data:

S.NO.	Characteristics	Test Method	Test Results
1	Appearance	Visual	Bright & Clear
2	Density @ 15°C (g/ml)	ASTM D1298	0.895
3	Kinematic Viscosity @ 40°C (cSt)	ASTM D445	179
4	Kinematic Viscosity @ 100°C (cSt)	ASTM D445	17.5
5	Viscosity Index	ASTM D2270	106
6	Flash Point COC (°C)	ASTM D92	252
7	Pour Point (°C)	ASTM D97	-9

Manufacturing:

Manufactured in ISO 9001: 2015 and ISO 14001:2015 certified plant.

Disposal:

Environment protection to be ascertained by proper disposal of Used oil and empty container as per local country guidelines.
