

Drivol Nulife Turbo Plus Diesel Engine oil SAE 20W-50 API CH-4

Product Description:

Drivol Nulife Turbo Plus SAE 20W-50 API CH-4 is a cutting-edge multigrade engine oil formulated with a semi-synthetic blend. Premium base oils in combination with an innovative VI Improver offers good wide temperature engine protection. This formulation is engineered to safeguard the engine, adapting seamlessly to the fluctuating demands of various driving and operating conditions.

Key Features:

- Effectively manages sludge and deposits, ensuring optimal cleanliness and functionality.
- Controls wear and tear, sustains power and efficiency and diminishes service expenses.
- Offers sustained protection throughout the entire oil drain interval.

Applications:

- Ideal for diesel engines utilized in commercial vehicles, buses and vans.
- Recommended for off-highway applications in industries such as construction, mining, quarrying and agriculture, where robust performance and endurance are paramount.
