

Drivol Nulife Turbo Diesel Engine oil SAE 15W-40 API CF-4

Product Description:

Drivol Nulife Turbo SAE 15W-40 API CF-4 is an advanced multigrade engine oil, meticulously formulated with a semi-synthetic blend to ensure superior protection and prolong the lifespan of engines. Designed to cater to heavy-duty applications, including those with turbocharged engines, it offers optimal performance in demanding environments.

Key Features:

- Comprehensive engine protection across all fronts.
- Remarkable control over soot and sludge buildup.
- Decreased oil consumption leading to extended oil change intervals.
- Enhanced fuel efficiency and economy contributing to cost savings.

Applications:

- Ideal for heavy-duty diesel engines, whether naturally aspirated or turbocharged, operating under varying conditions and wide temperature ranges.
- Recommended for use in engines demanding API CF-4 performance level oils, spanning heavy-duty trucks, construction machinery, mining equipment and agricultural vehicles.
