

# Drivol Nulife Turbo Diesel Engine oil SAE 20W-50 API CF-4

## Product Description:

**Drivol Nulife Turbo SAE 20W-50 API CF-4** stands out as a superior quality multigrade engine oil, formulated with a precise blend of mineral and synthetic base stocks, alongside a tried-and-tested additive package and viscosity index improver. This formulation ensures exceptional performance and extends the interval between oil changes during use.

## Key Features:

- Offers users a spectrum of advantages typically associated with multigrade oils.
- Provides robust engine protection, enhancing engine longevity.
- Shields against the formation of deposits stemming from soot and acids.
- Demonstrates resilience against heat, friction-induced wear and corrosion.

## Applications:

- Well-suited for a broad array of diesel engines both turbocharged and naturally aspirated.
- Offers cost-effective lubrication solutions for off-highway applications including agricultural tractors.
- Complies with the recommendations of leading automotive engine manufacturers across Europe and America.

## Specification / Recommendations:

International Standards & Meet the Requirements	
API CF-4	

## Technical Data:

S.NO.	Characteristics	Test Method	Test Results
1	Appearance	Visual	Bright & Clear
2	Density @ 15°C (g/ml)	ASTM D1298	0.882
3	Kinematic Viscosity @ 40°C (cSt)	ASTM D445	162
4	Kinematic Viscosity @ 100°C (cSt)	ASTM D445	18.9
5	Viscosity Index	ASTM D2270	132
6	Flash Point COC (°C)	ASTM D92	242
7	Pour Point (°C)	ASTM D97	-27

## Manufacturing:

Manufactured in ISO 9001: 2015 and ISO 14001:2015 certified plant.

## Disposal:

Environment protection to be ascertained by proper disposal of Used oil and empty container as per local country guidelines.
