

Drivol Egon Plus

Passenger Car Engine oil

SAE 10W-30 API SN PLUS

Product Description:

Introducing Drivol Egon Plus SAE 10W-30 API SN Plus, a premium fully synthetic motor oil engineered for top-tier performance. This advanced formula delivers exceptional protection against high temperatures, even in the most demanding conditions, ensuring prolonged engine life. Outperforming conventional-synthetic blends, it meets or surpasses the requirements set by leading European and American engine manufacturers.

Key Features:

- Superior resistance to oil breakdown under prolonged high temperature conditions.
- Effectively protects against wear, while combating the formation of sludge and deposits.
- Exhibits high thermal and oxidation stability for optimal engine performance.
- Facilitates easy engine starts and promotes oil circulation during cold starts, safeguarding vital engine components.

Applications:

- Ideal for use in a wide range of modern gasoline-powered vehicles, including high-performance turbocharged, supercharged, multi-valve, and fuel-injected engines commonly found in passenger cars, SUVs, light vans, and light trucks.

Specification / Recommendations:

International Standards & Meet the Requirements	
API SN Plus	

Technical Data:

S.NO.	Characteristics	Test Method	Test Results
1	Appearance	Visual	Bright & Clear
2	Density @ 15°C (g/ml)	ASTM D1298	0.855
3	Kinematic Viscosity @ 40°C (cSt)	ASTM D445	65
4	Kinematic Viscosity @ 100°C (cSt)	ASTM D445	11.4
5	Viscosity Index	ASTM D2270	171
6	Flash Point COC (°C)	ASTM D92	232
7	Pour Point (°C)	ASTM D97	-39

Manufacturing:

Manufactured in ISO 9001: 2015 and ISO 14001:2015 certified plant.

Disposal:

Environment protection to be ascertained by proper disposal of Used oil and empty container as per local country guidelines.
