## Passenger Car Engine oil

### SAE 10W-30 API SM

#### Product Description:

**Drivol Uno Plus SAE 10W-30 API** is an advanced gasoline engine oil designed for year-round use in passenger vehicles, made from specially chosen base oils and a contemporary additive package. It provides exceptional engine cleanliness and effective protection against wear, even in extreme temperatures and harsh driving conditions. Its sophisticated additive system guarantees superior wear protection and prolongs the life of the oils.

#### Key Features:

- Exhibits a low tendency for volatilization.
- Contributes to reduced maintenance costs over time.
- Ensures smooth engine starting even in extreme cold or hot weather conditions.
- Provides robust protection to prolong engine longevity.
- Enhances thermal and oxidation stability for sustained performance.

#### Applications:

- Suitable for use in both normally aspirated and turbocharged petrol engines, including those under high stress, found in passenger cars and heavy commercial vehicles.
