

## Drivol Uno Plus Passenger Car Engine oil SAE 10W-40 API SN

### Product Description:

**Drivol Uno Plus SAE 10W-40 API SN** represents an exceptional quality motor oil crafted from a distinctive combination of mineral oils specifically designed for gasoline engines, including those with turbocharging, fuel injection, and catalytic converters. It provides reliable defense against corrosion, sludge formation, soot buildup and piston residue.

### Key Features:

- Exceptional thermal and oxidation stability, extending drain intervals.
- Ensures optimal cold-start properties and swift engine lubrication.
- Effective environmental protection.
- Demonstrates excellent performance in both high and low temperatures.

### Applications:

- Recommended for use in gasoline-fueled passenger cars across a broad spectrum of operating conditions.

### Specification / Recommendations:

International Standards	Meet The Requirements
API SN	ACEA C3
