

Drivol Vita Sport Plus

Passenger Car Engine oil

SAE 5W-40 API SN PLUS

Product Description:

Drivol Vita Sport Plus SAE 5W-40 API SN Plus is a durable and premium-grade engine oil formulated with a balanced combination of conventional and synthetic base stocks, complemented by advanced additive technology. This formulation ensures optimal protection for contemporary gasoline engines, offering superior performance compared to conventional oils. It effectively safeguards against sludge formation and minimizes engine wear, enhancing overall engine longevity.

Key Features:

- Provides protection against low-speed pre-ignition (LSPI).
- Reduces oil consumption, necessitating fewer top-ups.
- Enhances defense against the accumulation of harmful sludge and soot.
- Offers exceptional wear protection across diverse operating conditions.

Applications:

- Suitable for use in all modern gasoline-powered vehicles, including high-performance turbocharged, supercharged, multi-valve and fuel-injected engines commonly found in passenger cars, SUVs, light vans, and light trucks.

Specification / Recommendations:

International Standards & Meet the Requirements	
API SN PLUS	

Technical Data:

S.NO.	Characteristics	Test Method	Test Results
1	Appearance	Visual	Bright & Clear
2	Density @ 15°C (g/ml)	ASTM D1298	0.864
3	Kinematic Viscosity @ 40°C (cSt)	ASTM D445	105
4	Kinematic Viscosity @ 100°C (cSt)	ASTM D445	15.2
5	Viscosity Index	ASTM D2270	152
6	Flash Point COC (°C)	ASTM D92	224
7	Pour Point (°C)	ASTM D97	-36

Manufacturing:

Manufactured in ISO 9001: 2015 and ISO 14001:2015 certified plant.

Disposal:

Environment protection to be ascertained by proper disposal of Used oil and empty container as per local country guidelines.
