

Drivol Vita Sport Ultra Passenger Car Engine oil SAE 5W-20 API SP

Product Description:

Drivol Vita Sport Ultra SAE 5W-20 API SP stands as a top-tier semi-synthetic engine oil with an advanced low friction additive system, ensuring utmost engine safeguarding even amidst the most demanding driving scenarios. It performs with enhanced resistance against oxidation, deposit formation, superior wear protection, exceptional low-temperature performance, and augmented fuel efficiency in comparison to conventional oils. This oil empowers users to benefit from synthetic oil advantages at a significantly lower cost compared to full synthetics.

Key Attributes:

- Guards against sludge and detrimental deposits formation.
- Facilitates the safe functioning of catalytic exhaust converters.
- Endures extreme thermal loads due to its high-grade base oil.
- Facilitates swift and effortless starts in severe temperature conditions.
- Offers exemplary protection against sludge, wear, and soot, promoting prolonged engine lifespan.

Applications:

- Ideal for modern gasoline engine technologies, catering to passenger cars, SUVs, light trucks, vans, and turbochargers operating under normal to severe conditions.

Specification / Recommendations:

International Standards & Meet the Requirements	
API SP / ILSAC GF-6	

Technical Data:

S.NO.	Characteristics	Test Method	Test Results
1	Appearance	Visual	Bright & Clear
2	Density @ 15°C (g/ml)	ASTM D1298	0.856
3	Kinematic Viscosity @ 40°C (cSt)	ASTM D445	47
4	Kinematic Viscosity @ 100°C (cSt)	ASTM D445	8.3
5	Viscosity Index	ASTM D2270	152
6	Flash Point COC (°C)	ASTM D92	230
7	Pour Point (°C)	ASTM D97	-42

Manufacturing:

Manufactured in ISO 9001: 2015 and ISO 14001:2015 certified plant.

Disposal:

Environment protection to be ascertained by proper disposal of Used oil and empty container as per local country guidelines.
